

ONDA Heat exchanger manufacturer
for Refrigeration and Air Conditioning.

ONDA is a leading company in Heat Exchange, partner of all main
Chiller manufacturers.

ONDA produces a complete range of Shell & Tube and Braze Plate
Heat Exchangers dedicated to Refrigeration and Air Conditioning.
Our evaporators and condensers are available with different raw
materials and well adapted to different refrigerants (R22, R134a,
R410A...) from 3 to 850 Tons. All our products are manufactured
under ISO 9001 with all the main worldwide certifications: ASME,
GOST, GL, PED, RINA, UL.
