Laboratory and Engineering Services

All Prices
excl. VAT

P/N	Name	SFr.	Remarks	
102000	Gen Engineering Labor Rate/hr	150.00		
102002	Gen Engineering Labor Rate/Day	1200.00		
102010	Gen Traveling Expenses/km (Car)	1.50	Man Hours not incl.	
102012	Gen Traveling Expenses (Tickets, Accommodation, etc.)	RFQ	Acc. Receipts	
202000	Lab Engineering Labor Rate/hr	150.00	Make RFQ for Project and Hours	
202010	Lab Traveling Expenses/km (Car)	1.50	Man Hours not incl.	
				Pictures
202100	Lab Spectrophotometer Color/1 Measurement	56.00	incl. Result Report	1
202104	Lab CAM Contact Angle Measuring Microsc./5 runs.	89.00	incl. Result Report, Sample Size max. 200x200mm	2
202106	Lab SEM Scanning Electron Microscope/1 pic	205.00	Incl. Picture (el. Format) Sample Size max. 40mm diameter	3+4
202108	Lab Sputter Coater/Sample	74.00	Gold Plating, only for non metallic SEM Samples	5
202110	Lab AFM Atomic Force Microscope/1 pic	285.00	Incl. Picture (el. Format) Sample Size unlimited	6
202112	Lab AFM Analysis of Datas and Pics/hr	192.00	incl. Result Report and Picture (el. Format), make RFQ for Hours	
202210	Lab Crock Test-Color Fastness/1 run	42.00	incl. Result Report, Sample Size max. 400x400mm	7
202212	Lab Abrasion Tester/1 hr run	48.00	Wear Simulation (wet and dry), Sample Size max. 40x200mm	8
202310	Lab Gas- and Liquid Chromatography	RFQ	RFQ acc. required Specification	9

Laboratory and Engineering Services

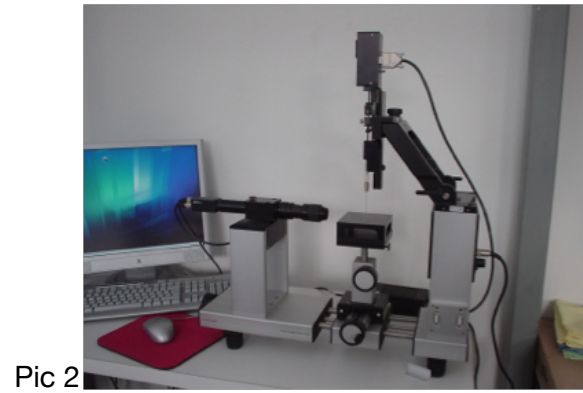

Scope of work: The processes in the laboratory are very different, we like to explain to you the right application for your needs and of our laboratory equipment. We will work out a detailed offer for all laboratory and engineer processes for you.
